## BETWEEN THE LINES

Audrey Scurr gave the following story to me a few years ago. As I re-read it this week, I thought I would take a moment to share it with you today.

A stressed-out woman was tailgating a man as they drove on a busy boulevard. When he slowed to a stop at a yellow light, the woman hit the horn cussing and screaming in frustration and gesturing angrily.

As she was still in mid-rant, she heard a tap on her window and looked up into the face of a police officer, who then ordered her to exit the car with her hands up. He took her to the police station and placed her in a holding cell.

An hour later, the officer returned and said, "I'm sorry Ma'am. This has been a big mistake.

When I pulled up behind you, I noticed your 'What would Jesus do?' license plate holder and your 'Follow me to Sunday School' bumper sticker. I assumed the car was stolen!"

The enemy doesn't care that you are a Christian, as long as you don't act like one. The Bible tells us that we are "a living letter" (2 Corinthians 3:2) being read by those around. In other words, you are probably the only "Bible" people will look at today, so it is important to be like Christ, even behind the wheel!
