BETWEEN THE LINES

The Best Is Yet To Come

A traveling minister in the old west, made a circuit of a number of parishes along the way. One particular home at which he would stay was remembered for its particularly delicious meals. When dinner was over, the woman of the house would collect the dishes, but would advise him to "save his fork."

"Save the fork," became a watchword, for it announced that there was a fabulous desert about to be served. He would hear her say, "Save the fork," and know that "the best was yet to come."

Canada is a great country, and Belleville is a splendid city, and we can get very comfortable with life here, content with all that is afforded us. But the highlight of the journey we call life, is yet to come.

Just as our minds cannot grasp the magnitude of eternity, we cannot imagine its splendor. For the child of God, the Bible is clear, "The best is yet to come!"

So why does He leave us here? Why not gather us all to that eternal reward now? We remain so that we may increase His kingdom, share His good news and enjoy the celebration of life with each person added to His great company.

So remember, if you are one of His, then you have something wonderful for which to look forward. And the Lord whispers to you, no matter how good or how bad things are, "Save the fork."

"Stop sinning and do what is right."

Today we are going to be learning that SIN is dangerous. ALL sin is dangerous. Sadly some Christians have decided that there are BIG sins and "little" sins. But the kids will be learning that ALL sin breaks God's heart and can cause eternal damage to our souls.
